PUBLIC TERMINALS AND PERSONAL TERMINALS

Amendment A: SPECIFICATION AND DRAWING AMENDMENTS

A substitute specification is attached hereto. The substitute specification corrects the informalities of the French to English translation originally submitted in the initial filing. The substitute specification includes a more precise description of the invention. No new subject matter is added by these amendments.

Please substitute the enclosed two (2) pages of drawings (Figures 1-2) in place of the previously submitted drawings. The pages are labeled as "REPLACEMENT SHEET" in the header. No new matter is added by these amendments. Figures 1-2 have been corrected with additional text legend to explain the schematic illustrations.
